Club Awards - ENGAGEMENT

- **Get students to attend your "booth" and name you as a club they checked in with!** We'll have an online form live during the event where attendees will be asked to name the clubs that they interacted with at Club Day, so encourage attendees to fill it out!
- Attendees can submit for as many clubs as they interact with, but just once per club. **Each unique submission counts as an entry for this award, and clubs can have as many entries as are submitted for this form.**
