For all Student Services / Academic Services / College Services

It is critical that we continue to move forward with our outcomes assessment plans. Stating what we expect the outcomes of our services to students to be and assessing those outcomes on a regular basis is the foundation of our newly adopted six-year Outcomes-Based Program Review process.

Part 1 - A brief review of the SSLO/AUO Assessment Cycle basics:

Review of Definitions

How to write outcome statements

How to assess the outcome statements

How to do reflection and enhancement in dialogue with colleagues

How to make assessment cycle plans

Part 2 - Program Level Outcomes (PLO):

How to write a PLO

Mapping the PLO to the College Mission, Institutional Core Competencies, and Strategic Initiatives

How is the PLO assessed?

Part 3 - The Program Review/Resource allocation process.

Preparing for the Annual Program Review Update due this spring

The Comprehensive Program Review Process

Please make every effort to have at least one representative from your area attend.
