Child Development

Certificate of Achievement

This vocational training program prepares future early childhood workers and educators to work with diverse children in early childhood settings. The program includes academic instruction, job skills training and field and community engagement experiences. Students acquire knowledge to integrate developmentally appropriate practices and their application to teaching young children along with skills in building relationships with children and families. This Certificate of Achievement meets entry-level professional requirements for teachers in early childhood programs and fulfills requirements to qualify as a teacher in a center licensed by the California Department of Social Services. Students who wish to qualify to become a director must also take CD 59G "Supervision and Administration of Child Development Programs (Management

Systems)" and CD 59H "Supervision and Administration of Child Development Programs (Leadership Skills)." The Certificate of Achievement is designed to meet the Child Development course requirements for a Child Development Associate Teacher Permit. The permit requires 18 quarter units (equivalent to 12 semester units).

Program Learning Outcomes: Upon completion, students will be able to

- Demonstrate the ability to work in a variety of settings with children and families with a commitment to uphold ethical standards
- Recognize the importance of community engagement and their role as local, national and global advocates for children, families and the community

Early Childhood Mental Health

Certificate of Achievement

De Anza College's Child Development and Education Department developed the Early Childhood Mental Health Certificate of Achievement to train mental health professionals at the entry and advanced level, ECE educators at the beginning and advanced level, and professionals working in early education, mental health and community services settings or programs. Certificate requirements include student participation in field experiences with community-based, early childhood mental health programs. Students develop skills to work with both children and their families. The Certificate of Achievement is designed to meet Child Development course requirements for a Child Development Master Teacher level as specialization units. The Child Development Master Teacher permit requires 36 quarter units (equivalent to 24 semester units) ECE/CD including core courses. The permit also requires 24 quarter units (equivalent to 16 semester units) of General Education courses plus 3 quarter units (equivalent to 2 semester units) of adult supervision.

Program Learning Outcomes: Upon completion, students will be able to

- Demonstrate the ability to work in a variety of settings with children and families with a commitment to uphold ethical standards
- Recognize the importance of community engagement and their role as local, national and global advocates for children, families and the community
- Integrate early childhood mental health practices to support the development of social and emotional skills in young children
- Demonstrate skills in building relationships with children and families

Early Intervention/Special Education Assistant

Certificate of Achievement-Advanced

This vocational training program prepares future early childhood workers and educators to work with children with disabilities and special needs in public and private early intervention, special education and educational settings that serve typical and atypical developing young children and their families. Students are taught practical skills in early intervention and early childhood special education from a culturally responsive perspective. Students learn to integrate early intervention/special education practices and apply them to teaching young children with special needs. Certificate requirements include student participation in field experiences with community-based, inclusive educational programs. The Certificate of

Achievement-Advancement prepares students for two career paths: early intervention assistant and early childhood teacher. It is the equivalent of the Teacher level permit on the California Child Development Matrix. The Teacher level permit also requires 24 quarter units (equivalent of 16 semester units) of General Education courses.

Program Learning Outcomes: Upon completion, students will be able to

- Demonstrate the ability to work in a variety of settings with children and families with a commitment to uphold ethical standards
- Recognize the importance of community engagement and their role as local, national and global advocates for children, families and the community
